

What invention will your grandchildren be unable to live without?

To win a **Make Your Own Wind Up Clock** kit, design a toy with which your grandchildren will play.

With what materials will your toy be made?

.....

.....

Will your toy use electronics, augmented reality, virtual reality or artificial intelligence? Why?

.....

.....

What will happen to your toy when your grandchildren grow too old for it?

.....

.....

The competition is open to anyone under 16. Please submit your design by **Saturday 22nd June 2019**. You can either drop your design off at the Science Centre (68 Edinburgh Place, Cheltenham, GL51 7SE) or scan it in and email it to CheltSciGrp@gmail.com
